If we live by the Spirit, let us also keep in step with the Spirit.

WAYSIDE CENTER ELGIN: A DIVISION OF WAYSIDE CROSS MINISTRIES

The background of the slide is a close-up photograph of a wooden floor. Scattered across the floor are numerous dark, irregular footprints, suggesting a path or journey. The lighting is soft, highlighting the grain of the wood and the texture of the footprints.

The Wayside Center has been a place to find hope for thousands of homeless men, women, and children for over 20 years. With humble beginnings as a store-front warming center in downtown Elgin, the Wayside Center has expanded to providing day services six days a week and on most major holidays for the poor and under-resourced in the Fox Valley. Join us as we celebrate and hear first-hand accounts of how God is transforming lives through the Wayside Center.
